The services provided to clients are in accordance with the legal agreements/ other documents executed with them.

(6) Risk Factors

The following are the risk factors as perceived by the management:

- (i) The PMS will be implemented strictly in accordance with SEBI (Portfolio Managers) Rules and Regulations, 1993 and amendments thereto. Investors are requested to familiarise themselves with these regulations.
- (ii) Securities investments are subject to a wide range of market risks, which include amongst others, and by way of illustration, may lead to an unpredictable loss in value of the Assets, which may extend to a total loss of value of the Assets.
- (iii) The Portfolio Manager does not guarantee or assure the client of the value of or returns on the Assets, in any manner whatsoever. The value of the Assets under the Discretionary Portfolio Management Service may stand a risk of total loss of capital and the client should be aware that they may lose all or any part of their investments with portfolio manager.
- (iv) The past performance of the strategy, promoters or Directors is not indicative of and does not guarantee future performance of the strategy.
- (v) The performance of the strategy may be affected by changes in Government policies, general levels of interest rates and risks associated with trading volumes, liquidity and settlement systems in equity and debt markets.
- (vi) Investments in debt instruments are subject to default risk and interest rate risk. Interest rate risk results from changes in demand and supply for money and other macro-economic factors and creates price changes in the value of the debt instruments. Consequently, the NAV of the portfolio may be subject to fluctuation.

SCHEDULE OF FEES

The Client shall pay to the Portfolio Manager the Portfolio Management Fees as hereunder provided:

Performance Fee

- A Performance Fee is chargeable on Profits, based on closing NAV as on 31st December Every Year.
- If the Return achieved is above the hurdle rate, a Performance Fee is chargeable on all Profits over 10% of Compounded Annual Growth Rate (CAGR)

| Return on assets | Performance Fee (%) |
|-------------------------|--------------------------------|
| Upto hurdle rate of 10% | Nil |
| Above 10% | 20% of profit above 10% return |

- Returns are calculated on a simple interest (time weighted) basis for the purpose of calculating Performance Fee.
